

Let's edit this page (step 3 of 9)

Pages live in spaces. This page is in the 'Demonstration Space'.

Let's play with some content. Don't worry, you won't break anything:

1. Click **Edit** at the top of this page. Now you're in the editor.
2. Type some words anywhere on the page.
3. Have some fun:
 - Change the color of the text: Select the text, then choose a color from the color option in the editor tool bar.
 - Add a link: Select some text, then choose the **Link** button on the toolbar. Click **Web Link** and enter an **Address**, such as `http://www.atlassian.com`. Click **Insert** to insert the link.
 - Find a file or picture on your computer, and drag it anywhere on this page.
 - Try some of the other options on the editor toolbar.

When you're ready, click **Update** to publish your changes then and go to the next step or back to the space home.
